

Welcome to the FFBC_List email list, a private email list for the members of the Fremont Freewheelers Bicycle Club of Fremont California.

Please note the following list guidelines:

1. Keep the subject of postings relevant to the membership of FFBC. This can be interpreted broadly.
2. Please be courteous at all times and remember that FFBC has members of all ages.
3. Please take time to reflect before posting potentially inflammatory messages. Would publication beyond the list serve the interests of FFBC?
4. Postings of private "For Sale" or "Items Wanted" messages by members are permitted.
5. No commercial solicitations are permitted except with prior approval of the FFBC Board of Directors.
6. FFBC_List is usually an open form, but is moderated. The moderator can choose to place restrictions on the list operation if deemed necessary.
