If you are a slow climber, but want to do the extra climbing, please be considerate of the group and turn around when you see the faster riders returning OR bring yourself to coffee on your own. We will have lunch at Noah's Bagels/Starbucks (\$) before heading back on a flat route, with no regroup. Extreme temperatures, park closure, construction or the whim of the ride leader may modify the route. Rain cancels, check FFFBC Yahoo! Group, email or text me. ### 8:45am - 12:15pm Tour de Fremont Hills

**Where:** Old Mission Park, Pine St. @ Ibero Way, Fremont

**Description:**

Length: 30-40 miles; Elevation: 1,912-2,500 feet; Terrain: 3,4 Pace: M,B When our favorite local hill (Palomares) was closed for 3 months due to road works we were forced to choose different routes and a different starting location for some of our Tuesday rides. We liked the new routes so much we decided to keep them in the rotation. On the 3rd and 5th Tuesdays (if there is a 5th Tuesday) we will ride some of the hills in South Fremont, Milpitas and San Jose. We might ride "The Hills of Insanity" (Scott Creek, Country Club, Sweigert and Suncrest) or for a little tamer climb we're ride Calaveras to Marsh with a side of "The Wall", or we might try something else completely. Bring money for coffee and/or a snack, we'll definitely stop for a well deserved break! Rain or significant chance of rain cancels. A ride cancellation email will be sent to the FFBC Yahoo! group by one (or both) ride leaders on the morning of the ride if it is being cancelled (no email, means the ride is on). If unsure of the ride status call or text the appropriate ride leader on the morning of the ride.
