## June 13, 2017

### **FFBC BOARD MEETING MINUTES**

**Location:** Fremont Adult Education School, Room N6, 4700 Calaveras Ave, Fremont, CA 94538

### **Attendance:**

Ken Goldman	Vice President
West Kurihara	Race Team
Dave Fishbaugh	Ride Coordinator
Judy Young	Secretary
Tricia Conklin	Director at Large

### **Call to Order:**

- Meeting called to order at 6:40 PM.

### **Race Team: West Kurihara:**

- On Memorial Day weekend, Team Fremont worked with Red Kite Racing and San Jose Bicycle Club to promote and organize the Memorial Day Classic Stage Race and Omnium, a three day event with four races in a Stage Race format and an Omnium format. The race was a great success and may become a permanent entry on the race calendar. Team Fremont provided all the volunteers for the Monday races which consisted of the Altamont Individual Time Trial and the Red Kite Memorial Day Criterium, both of which were held in Livermore.
- Team Fremont members were everywhere and most worked the entire day and or raced in some of the events. Four of our Cat 3 members, Phill Mai, Andrew Conley, Keith Strong and Derek Stedman, entered the E3 Stage race category and a separate report is accompanying this report. One member, Dominic Hollingdale completed the Cat 4 Stage race, his first. West Kurihara and David Voris competed in the Master 55+ division in the Mt. Hamilton Road Race.
- Unfortunately, Phill Mai suffered a season ending crash on the backside of Mt. Hamilton during the E3 road race event and had to be air lifted out by helicopter to the regional trauma center in San Jose. Phill suffered a broken right femur and fracture of the C7. Phill received surgery and was discharged just a few days later and is recovering at home and is already plotting on how he might be able to salvage the end of his season and compete in the LOTAJA Classic in September.
