January 2010 RIDE CALENDAR

Calendar Notes

Starting This Month
Beginning this month there are three training series, the Cinderella training series and CHALLENGE Cinderella training series, for female riders, and the Progressive Ride Series for all club members and potential club members.

Cinderella Training Rides
Participation in the series is by pre-registration and limited to registered riders. Please see the Cinderella web page of the FFBC website (http://www.ffbc.org/cinderella/) for additional information.

The Cinderella training is for women of all riding levels, from beginners to experienced riders. The Classic Training on Saturdays is right for you if you are comfortable on your bike, can ride 10 miles, and are eager to learn how to ride on the road and in a group. The Challenge Training series is right for you if you like riding, are in shape to ride 35 miles in about 4 hours, and want to gain group-riding skills.

Progressive Rides
The Progressive Ride Series (PRS) is designed to get riders in condition to do a full century. The PRS starts with shorter and flatter rides and gradually builds up to the full century, which is the Worker’s Ride in April and follows the Primavera route. Rainouts will not alter the schedule of the series. The emphasis is on an M pace, which will be offered for each PRS ride. Other paces may or may not be supported, look at each ride description in the calendar for this information.

FFBC Ride Classification
Different bike clubs use different methods for ride leaders to convey information about their rides so that interested riders can determine if a ride is suited for them.

FFBC rides are classified according to terrain and pace. Terrain is described in terms of local roads. Pace is defined by the riding speed on flat ground in calm air when not drafting. Average pace will be lower and will vary with terrain and other conditions.

Please see the ‘Ride Classification’ web page of the FFBC website (http://www.ffbc.org/html/RideClassification.html) for additional information.

Sat Jan 16  Cinderella Training Orientation/Rodeo/Ride #1 8:00 AM - SHARP  12 miles (Classic) / apx. 20 miles (Challenge)  1, L-T-M/2, M
Cinderella training is for women of all riding levels, from beginners to experienced riders. The Classic Training on Saturdays is right for you if you are comfortable on your bike, can ride 10 miles, and are eager to learn how to ride the road and in a group. The Challenge Training series is right for you if you like riding, are in shape to ride 35 miles in about 4 hours, and want to gain group-riding skills.

Both of our Cinderella training series consist of an ORIENTATION and BIKE RODEO (attendance for both is mandatory!), followed by TEN RIDES. Each ride will build on the skills and strength you built the week prior, getting progressively longer and more challenging as the training series continues. Build strength, endurance, confidence, team riding, and mechanical skills with encouragement and technical tips from other women!

The orientation begins at 8:00 AM at the Bicycle Garage, 5006 Mowry Avenue, Fremont. THIS IS A NEW LOCATION FROM LAST YEAR (corner of Mowry Ave & Blacow Rd in Lucky's shopping center). Please park behind the Bicycle Garage store in the lot near Wendy’s on Blacow Rd south of Mowry Ave. Walk around the building to the Bicycle Garage. After the orientation, we will have a rodeo (bike inspection, refreshments, bike fitting, helmet fitting, skills trials, etc.) and finish with a short ride. Remember to bring a helmet, water bottle, tire irons, patch kit, spare tube and tire pump.

Our rain policy is we will meet at the start and decide if we will go out. If we start the ride and it begins to rain, the ride leaders can shorten the route or find temporary shelter until it is safe to continue.
