No better way to work up an appetite for shopping than to start off with a ride. This ride is a “Show & Go” meaning that the riders who show up at the start decide the route. The ride coordinator (ridecoordinator@ffbc.org) does have a couple of route suggestions courtesy of the race team if you’re interested. There is a rumor that there might even be snacks, courtesy of Sports Basement, at the end of the ride.  
BTW, the 20% discount is good even if you don’t ride (there are a few exceptions to the discount).

9:00 AM  
Shepherd Canyon  
30 miles, 4, T-M  
Come ride in the Oakland hills. We will climb Redwood and Pinehurst up to Skyline then drop down Shepherd’s Canyon to Montclair for coffee. We will return to Skyline using a unique and scenic route before returning on Redwood. This ride has about 3000 feet of climbing but it is broken up into several parts (by starting at the golf course, we have eliminated two climbs and about 500 ft from the last time we did this ride in 2010). None of the climbs are over 2 miles long. All "T/M" riders are welcome. No one will be left behind (unless Dale stops to fiddle with his gps.) For an advance look at this ride check: http://lasthill.net/Maps/ShepherdCanyon.html . . . and you might want to click on the two history buttons on the map. There’s history in them that hills.

Start at the Willow Park Public Golf Course, 17007 Redwood Road, Castro Valley, CA 94546. Park to the right, rear of the club house behind the restrooms.

Sun Dec 15  
“Mezza Luna del Mar”  
9:00 AM  
54 miles, 4, M  
Start location: Corner of Church and Miramontes St., Half Moon Bay.

December is usually a lovely time to ride along the coast. We will head south from HMB to San Gregorio, over Haskins Hill, and down to Pescadero for lunch at Archangel’s Market/Bakery (think ARTICHoke bread). Then we return north along the coast with a pretty, inland detour to Higgins-Purissima, a lovely hill which will drop us back into HMB.

There is 3500 ft of cumulative climbing over the 54 miles, but no long steep climbs. All “M” riders are welcome and should feel comfortable on this fun ride. No one left behind.

Suggested route to start: Hwy 92 to L on Main St (stop light just before Hwy 1) in HMB. Then R on Miramontes and L on Church. Park along the street. Allow an hour from Fremont.

Map and route sheet available at (courtesy of Dale Blanchard) http://lasthill.net/Maps/MezzaLuna.html

Thursday Morning Coffee Ride 9:00 AM 25-35 miles, 3, M
Across the Dumbarton Bridge
Start location: Don Edward’s Wildlife Refuge
This ride starts at the Don Edward’s Wildlife Refuge Visitor Center and we head across the Dumbarton Bridge to various destinations. For a flat ride we head through East Palo Alto and along a few paths to Shoreline Park for lunch. For a ride with climbing we do Woodside Road, Sand Hill/Whisky Hill, Alpine Loop, Arastradero or Edgewood Road. Sometimes the climbing is optional. We always stop for coffee and riders are welcome to head back on their own if they know the way. Usually we ride without route sheets so we regroup as necessary and no one is left behind. Bring $ for lunch.
Extreme temperatures, construction or the whim of the ride leader may modify the route. Rain cancels, check FFBC Yahoo! Group, email or call me.

Monday Morning Recovery Ride 8:30 AM 40 miles, 1-2 (610’), M
Let’s meet at the Cabrillo Park Cafe 4673 Thornton Ave, between I-880 and Dusterberry (former location of the Bicycle Garage) at 8:30 for an 8:45 start to an easy-going ride down Paseo Padre to South Glimmer. Then it’s a flat ride down past Club Sport to the end of Fremont Blvd. We’ll turn around and have a coffee break at a local coffee shop and make our way over to Coyote Hills for a trip back on the trail, ending our ride well before 12:30 (on rare occasions we head directly home after coffee, shortening the ride to about 30 miles and getting back close to 11:30). Elevation gain is 610 feet. Rain or threat of rain cancels. If rain threatens, call me between 7:30 and 8:00 on the day of the ride.
