1st Week in September

Mon Sept 1  Monday Morning Recovery Ride
8:30 AM    40 miles, 1-2 (610'), M
Let's meet at the Cabrillo Park Cafe 4673 Thornton Ave, between I-880 and Dusterberry (former location of the Bicycle Garage) at 8:30 for an 8:45 start to an easy-going ride down Paseo Padre to South Grimmer. Then it's a flat ride down past Club Sport to the end of Fremont Blvd. We'll turn around and have a coffee break at a local coffee shop and make our way over to Coyote Hills for a trip back on the trail, ending our ride well before 12:30 (on rare occasions we head directly home after coffee, shortening the ride to about 30 miles and getting back close to 11:30). Elevation gain is 610 feet. Rain or threat of rain cancels. If rain threatens, call me between 7:30 and 8:00 on the day of the ride.

Tue Sept 2  Tour de Fremont Hills
8:30 AM    29 miles, 3 (~1,900'), M, B
Meet at the Isherwood staging area on Isherwood Way at Paseo Padre Pkwy on the dirt (north) side of Alameda Creek Trail and join us for a few of Fremont's finest hills. We'll warm up on the nice, flat Alameda Creek Trail before our first mini-climb: Stenhammer. Then it's up Mission (with a few detours thrown in) to the next climb: the short but steep Yakima/ Zapotek leg burner. A quick regroup and on to "The Animals" via Stanford. We'll head up Paseo Padre THE WRONG WAY followed by a short but steep kick up Pine and our weekly grind up Sabrecat. Just to make sure that we've managed to elevate our heart rate sufficiently we'll tackle Paseo Padre the wrong way again or for added suffering we'll climb back over Pine! Then we're ready for a nice downhill coast to Peets for a well-deserved coffee and the end of our ride. Rain cancels the ride. If uncertain of the status of the ride, contact me between 7:15am and 7:45am on my cellphone on the day of the ride.

Meet at downtown Niles parking lot across from H St on Niles Blvd.

Sun Sept 7  Sonoma Beer Ride  
9:00 AM  52 miles, 4 (3,045'), M 
Start location: Depot Park, 270 1st Street W, Sonoma 
I love riding locally but sometimes it's nice to go a little further and try something new, especially if the scenery is good, there's a nice hill and a good place for lunch. This ride checks all those boxes plus there's a stop at a nice beer garden near the end of the ride. 
Our route is a clockwise loop from Sonoma, up Dry Creek Rd. for a 2-3 mile climb (including a Wall-like stretch), to Napa for lunch, and back to Sonoma via Caneros Brews (the beer garden). The climbing is front-loaded with most of the elevation gain before lunch. 
Rain or extremely hot weather map cancel. If the ride is cancelled I will send out an email to the FFBC Yahoo! Group. 
The map for the ride is: http://ridewithgps.com/routes/4053987

We'll return through the canyon with the ride once again finishing at Peet's for a well-deserved coffee. Rain cancels. Start location: Dixon Landing Park in Milpitas, at Milmont & Jurgens  
The seventh annual Luna Park Chalk Art Festival, north of downtown San Jose, will be the destination for this flat social ride. Besides amazing sidewalk chalk art, there will be music, vendors and food trucks. There is no admission fee. We will spend about 30 minutes at the festival and then proceed to Roy's Station, our coffee/lunch stop in the heart of Japantown, San Jose.

Much of the first half of the ride will be on bike trails and the return home will be on surface streets. Route sheets will be provided. No drops & regroups as needed. Extreme weather cancels or modifies the ride. Any changes will be announced on FFBC Yahoo! Group or call/email/text me.

Donna K’s Birthday Ride  
8:00 AM  
Reverse Metric Primavera (sort of)  
66 miles, 4 (4,200’), M  
Start location: Union City BART Station (west side)  
It's my 65th birthday, and what better way to celebrate than by combining two favorite Club rides into one 65ish mile ride. Join me and my faithful assistant/tire changer extraordinaire as we start off up and down Palomares, through Dublin Canyon, and onto Foothill Road into Sunol. Then it's up Calaveras and down the Wall on our way to our lunch break at Noah's/Starbucks in Milpitas. A roundabout quick trip up Warren en route to Fremont Boulevard (I had to get my 65 miles in, right?) will give us a nice, flat ride back to the start.  
There will be plenty of regroups in all the usual places, including bathroom breaks at the end of Dublin Canyon, the Sunol Train Station, and Ed Levin Park. Since our one food stop isn't until about 50 miles into the ride, please bring snacks for the ride. Also, since our first bathroom opportunity isn't until 2 hours into the ride, and BART bathrooms can be an "iffy" proposition, please plan accordingly. Rain and/or excessive heat may cancel/modify the ride. If unsure, call me or Mike Northrup between 7:00am and 7:30am the day of the ride.

Sun Sept 28  Dale & Ken’s Excellent Adventure  
8:14 AM  36 miles, 4 (2,600’), T-M  
Start location: Fremont BART Station  
Come join us for the great climb from Oakland up Old Tunnel Road and over the top of the Caldecott Tunnel to Skyline. We'll make a quick "historical" stop at the monument/display about the 1991 Oakland Hills Fire.  
You will enjoy great views across the Bay of San Francisco and whole area as you climb (unless there is fog). The Old Tunnel Road climb is less than two miles and not very steep--easier than the climb to the "false summit" on Calaveras Road.  
We will then continue along Skyline and descend Redwood Road before riding back into Castro Valley for lunch/coffee. From there, we will use a relatively flat route home.  
The ride will start with a BART ride to the Rockridge station. We will leave Fremont on a Richmond train at 8:14 AM. We will change trains at 19th St. Oakland for a Pittsburg/Baypoint train that will arrive at Rockridge at 9:00. BART fare is $4.35. We should be on the road by 9:10. We will ride back to the Fremont BART station.  
All "T/M" paced riders are welcome to join us and as always, no one will be left behind. Faster riders who are willing to regroup are always welcome.

Mon Sept 29  Monday Morning Recovery Ride  
8:30 AM  40 miles, 1-2 (610’), M  
Let's meet at the Cabrillo Park Cafe 4673 Thornton Ave, between I-880 and Dusterberry (former location of the Bicycle Garage) at 8:30 for an 8:45 start to an easy-going ride down Paseo Padre to South Grimmer. Then it's a flat ride down past Club Sport to the end of Fremont Blvd. We'll turn around and have a coffee break at a local coffee shop and make our way over to Coyote Hills for a trip back on the trail, ending our ride well before 12:30 (on rare occasions we head directly home after coffee, shortening the ride to about 30 miles and getting back close to 11:30). Elevation gain is 610 feet. Rain or threat of rain cancels. If rain threatens, call me between 7:30 and 8:00 on the day of the ride.
