Thursday Morning Coffee Ride to Honor Florence Silver
20 miles, 2-3, T-M
Start location: Lake Elizabeth, Teen Center
We will gather in the parking lot near the Teen Center. There are a lot of parking lots in Fremont's Central Park. To access the correct lot, turn in from Paseo Padre at the light on Sailway, then park in the big parking lot on the left, near the back.
As many of you know, longtime member, Florence Silver, recently passed away. Florence and Bert have both been such great members of FFBC. Florence was a Cinderella Ride leader for many years (in fact, she was one of my first Cinderella ride leaders) and I seem to remember she was the person in charge of a Primavera as well as an FFBC Board Member.
Sydney Friedenberg suggested we do a ride in honor of Florence as Florence's birthday falls on Thursday, November 5th. We WILL meet at Lake Elizabeth's Teen Center to start but do a shorter ride around the hills and valleys of Fremont. The route is still TBD but will include Stenhammer, since there is a story about this hill and Florence. It will be less than 20 miles, have regroups and options to skip some climbs so the route is doable for everyone. No one will be left behind. We will have our coffee stop at Mission Coffee.
I spoke with Bert Silver and he was very happy to hear we would do a ride in Flo's honor. Unfortunately, Bert won't be at Mission Coffee, but I sure hope you can come and share some cake and a memory or two about Florence. Non-riders are welcome to meet us at coffee and I estimate our arrival at 10:30AM but remember, my estimates are nowhere near as precise as Mike Northrup's. You are welcome to download the Find Friends app, add me for the day, and track our progress.
Rain cancels, check FFBC Yahoo! Group, email or call me.

Tuesday Hills On Saturday
30 miles, 3 (2,100′), M
Get all of the Tuesday Tour de Fremont Hills ride fun on the weekend! Meet at the Isherwood staging area on Isherwood Way at Paseo Padre Pkwy on the dirt (north) side of Alameda Creek Trail and join us for a few of Fremont’s finest hills. We’ll warm up on the nice, flat Alameda Creek Trail before our first mini-climb: Stenhammer. Then it’s up Mission (with a few detours thrown in) to the next climb: the short but steep Yakima/ Zapotek leg burner. A quick regroup and on to “The Animals” via Stanford. We’ll head up Paseo Padre THE WRONG WAY followed by a short and steep kick up Pine and the grind up Sabrecat. If we haven’t managed to elevate our heart rates sufficiently we’ll head back up Pine; otherwise, it’s up Paseo Padre the wrong way again before ending the ride at Peet’s with a well-deserved coffee (NOTE: even though the ride ends at Peet’s those needing to return to the start of the ride will be accommodated). Rain or threat of rain cancels the ride. If uncertain of the status of the ride, contact me between 7:15am and 7:45am by phone on the day of the ride.

Paso Robles Adventure--Santa Margarita Express
53 miles, 3 (2500′), T-M
Start location: Paso Robles City Park, 12th St. and Spring St.
This is our favorite ride in the area. We start out with some rolling hills to the southeast taking a coffee break at about 15 miles at the general store in Creston (pop. 15) with fresh baked cookies. Along the way we will point out the small-scale railroad and trestle on a farm as well as Alex Trebek’s horse ranch for all you Jeopardy fans. At 32 miles we will get some great sandwiches at the general store/deli in Santa Margarita and take the to eat in the city park. Then we will ride a flatter portion through Atascadero and some short hills into Templeton at 47 miles for an ice cream or cold drink at the convenience store before the last 5 miles back into Paso Robles. All this is not a flat ride, there are no long steep hills on this ride and because of the three built in breaks, it seems easier than it sounds.

Paso Robles Adventure--Around the Hills of Adelaide
28 miles, 3 (2086′), T-M
Start location: Paso Robles City Park, 12th St. and Spring St.
This is a very pretty ride through the vineyards west of Paso Robles. It has some rolling hills and there is one longer climb of about 3 miles which is similar to the climb to the false summit on Calaveras. Bring two water bottles and some snacks as there is no place to stop for food until we get back to town. We will make arrangements to use the restrooms at one of the wineries along the way. The ride finishes up with a fabulous 7-mile descent back into town.

This is a very scenic ride which starts out through the vineyards west of town and then works it’s way through the wooded area
above Paso Robles before descending right into town. Again, there is no place to get any food along this ride, but we should get back in time for lunch as it is a relatively short ride.

Then it's a flat ride down past Club Sport to the end of Fremont Blvd. We'll turn around and have a coffee break at a local coffee shop and make our way over to Coyote Hills for a trip back on the trail, ending our ride well before 12:30 (on rare occasions we head directly home after coffee, shortening the ride to about 30 miles and getting back close to 11:30). Elevation gain is 610 feet. Rain or threat of rain cancels. If rain threatens, call me between 7:30 and 8:00 on the day of the ride.

We'll do a clockwise loop going up Palomares and Dublin grade followed by the rollers on Foothill. We'll return through the canyon with the ride once again finishing at Peet's for a well-deserved coffee. Rain cancels. If uncertain of the status of the ride, contact me between 7:15am and 7:45am on my cellphone on the day of the ride.

Start location: Locke Paddon Park parking lot, Seaside Ave at Reservation Rd (across from the Holiday Inn Express) in Marina, CA. Bathroom on site.
This year, we are breaking with tradition. Instead of FFBC’s usual 17-mile ride, this year’s after-Thanksgiving tour will be on the Monterey Recreation Trail. We will travel south from Marina to the Bird Rock Vista Point and then retrace our route. No one will be in a hurry and no will be left behind. Lunch will be on our return trip near Fisherman’s Wharf in Monterey. This ride is more a social event ride than a fitness ride. I will post a map on the FFBC Yahoo Group site. The ride will be canceled or modified if nasty weather arises. Any changes will be announced on FFBC Yahoo Group site or call, email or text me.
