Race Team Report – West Kurihara:

Sad to report that Gary Birch departed with his wife on April 10, headed back to England to take care of his mother. Gary moved to the USA almost 20 years ago and quickly became a prominent member and promoter of Team Fremont and racing activities in the Norcal region. Gary had served as race team president for many years and played a huge role in recruiting new members to the race team. He will be greatly missed. If you are ever in his neck of the woods, please pay him a visit.
