Old Business

Ride Start Time: We decided to change the ride description on the ride calendars to include a Meet time and a Ride time. Dennis (Ride Leader Coordinator) will get this information from ride leaders when posting a ride. There is no need to do a survey as previously discussed.

Helmet Cameras: Glenn is monitoring other bike clubs use of cameras on rides and will report back.

Yahoo Groups: No update but the board is anxious to switch over to Google.

Hall of Fame Discussion: Some Board members think the criteria is too broad for the Hall of Fame and needs to be more specific. Glenn will work on this project.

Presentation for March meeting: Rob will look into an anti-theft device called "Boomerang" and will work on getting a presentation for the March meeting.

Another suggestion for a meeting presentation is a demonstration of how to pack a bike bag.

Reports

Race Team Report: West gave information about the upcoming ride along the California coast and his written report is included here:
