Trico Iron Case

[*Note: Some of the larger size road and triathlon bikes may not fit in this case. Please call 1800-649-3739 for more information.]

Iron Case® bicycle carriers from Trico offer the best travel protection in the market. The vacuum formed multi-channel Triconium® shell achieves the highest possible strength/weight ratio - making the Iron Case not only bullet proof, but also lightweight (only 31 lbs.).

The bicycle is cocooned in three layers of foam, requiring a minimal amount of disassembly. Only the wheels, pedals and seat post have to be removed on most bicycles (handlebars on some models).

There's also room to store aero bars, tools, helmet and a full wet suit.

Features:

- Highest possible strength/weight ratio and fully lockable
- A pull strap and wheels have been incorporated for increased mobility
- Minimal disassembly of bicycle required
- Three layers of foam cocoon your bicycle for maximum protection
- Accommodates all bikes up to 68cm in size.

Specifications:

- Outer Size - 47" x 30.5" x 10.5"
- Inner Size - 46 3/4" x 30.1/4" x 10.1/4"
- Weight - 31lbs. (unpacked)
